

## Adding a Thalys card in Cytric

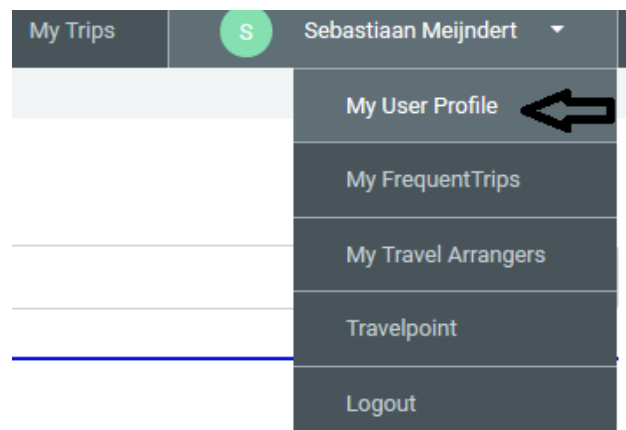

Open any travel request at random, or create a new travel request.

Click  or  to access the online booking tool (Cytric).

In the Cytric online booking tool, click your name at the top right of the screen.

Select 'My User Profile':

Select 'Frequent Traveller Programmes':

## My User Profile

Select 'Rail', and enter the card number. In the drop-down menu, 'Thalys TheCard' is listed below 'NS International'.

A screenshot of the 'Frequent Traveller Numbers - Rail' form. On the left, a sidebar menu shows 'Frequent Traveller Numbers - Rail' selected. The main area has a title 'Add Rail Frequent Traveller Cards' and a paragraph of instructions. Below this are form fields: 'Type:' with a dropdown menu showing 'Thalys TheCard', 'Card Number:' with the text '9648123456789123', 'Valid through:' with two date pickers, 'Confidential:' with a checkbox, and 'Masked:' with a checkbox. An 'Add' button is at the bottom right. Three arrows point to the 'Thalys TheCard' dropdown menu.

Click 'Add' to save the card number.

Close the screen.

The card number will be included in your future Thalys bookings.

In the instructions on our website, you can also see how you can quickly book the train you require.
